**The Last of Its Kind in Toronto's Yorkville Neighbourhood**

You can live in the heart of North America's fourth largest city, right around the corner from world-renowned Bloor Street shopping, and feel as though you're part of a village community. Yorkville, a heritage neighbourhood of 19th century architecture, is at capacity for development. Which is why 128 Hazelton Private Residences is a rare real estate opportunity to live on the most valuable street in the area. With up to 20 custom-designed residences, the boutique building is inspired by a love of beauty.
